I hereby agree that the agreement between Det Norske Veritas, its subsidiaries, bodies, directors, employees and agents shall have no liability for any loss, damage or expense (directly caused or indirectly) by fire, explosion or hazardous (leakage or vapors) or any other risk, omission or error by them, including gross negligence or willful misconduct by any such person with the exception of gross negligence or willful misconduct by the government bodies or any executive officers of Det Norske Veritas. This applies regardless of whether the loss, damage or expense has affected persons with whom Det Norske Veritas has a contract or a third party who has relied or acted on disclosure made or information given by or on behalf of Det Norske Veritas. However, if the person liable for the loss, damage or expense is a subsidiary or a subsidiary of Det Norske Veritas or its subsidiaries or relies on any action made or information given by or on behalf of Det Norske Veritas and in consequence a loss, damage or expense is caused to be due to their negligence, omission or default, then Det Norske Veritas will pay for such loss, damage or expense a sum representing the amount of the loss, damage or expense. In the event Det Norske Veritas or its subsidiaries may be held liable in accordance with the sections above, the amount of compensation shall under no circumstances exceed the amount of the fee, if any, charged for that particular service, decision, advice or information, under no circumstances whatsoever and the inclusion of individuals who have provided services, damage or expense shall be liable. In the event that any person in this section shall be held liable under the law of any jurisdiction, the liability of the person shall be limited to the sum of the fee.
